Small Group Questions
From: Colossians & Philemon,
by John MacArthur

*You do NOT have to answer or discuss every question. Feel free to just pick a few. These are meant to guide you in truth. If you are having trouble answering a question, ask your small group leader to help you. They are committed to helping you develop as an authentic follower of Christ.

The COMMUNITY:

1. With a million and one bogus ideas and competing “truth claims” circulating in the world, how can you avoid buying into a deceitful belief system?

Into the WORD/APPLICATION:

Here are some suggested sites in order to dive deeper into God's Word: blueletterbible.org, desiringgod.org/articles/all, biblos.com, ccel.org, logos.com, connect.ligonier.org, thegospelcoalition.org/channel/bible-and-theology.

1. Read Colossians 2:6-7 and answer the following questions.
 - a. What words and phrases did Paul use to spell out the basics of the Christian's “walk” (vv. 6-7)?

- b. Paul used the image of being rooted in rich soil (Col. 2:6-7). That eternal planting took place at salvation when we received Christ. In what ways is Christ the source of our continued spiritual nourishment, growth, and fruitfulness?

- c. How would obedience to the command of verses 6-7 give you the power to avoid the danger of verse 8?

- d. When were you first “planted” into Christ? What things have helped you grow and sink your roots deeper into His love?
