THE APPLICATION

5.	What keeps you from prayer? How can you change that in order to intentionally pray more?
6.	Do you ever come before the Lord to "drop off your list" and then leave? What might it look like in your prayer life if you entered into prayer simply to be in His presence? How might you be more focused on who God is and what He is like?
7.	How does it change your perspective knowing you have enemies, antagonists and adversaries? How will you fight these opponents?
8.	What keeps your prayers from being powerful? How can you grow in this area?
